### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art made of record does not teach or fairly suggest an apparatus or method of inserting a tracheostomy tube having a needle, an elongated member extended within the needle and an indicator towards the machine end of the instrument for indicating the movement of the elongated member relative to the needle. So that the apparatus may be inserted into the patient until a change in the status of the indicator indicates that the trachea has been penetrated and sliding the instrument rearward relative to the patient to implant a tracheostomy tube.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. George (4,898,163).
